

In this sample iText will not try to fit text in container's width, because overflow property is set. However no text is hidden.

When a man hath no freedom to fight
for at home, Let him combat for that
of his neighbours; Let him think of the
glories of Greece and of Rome, And
get knocked on the head for his
labours.

To do good to Mankind is the
chivalrous plan, And is always as
nobly requited; Then battle for
Freedom wherever you can, And, if
not shot or hanged, you'll get
knighted.
